#### DESCRIPTION

Join us on 27th June at The News Building for an exclusive event hosted by Peter Evans, Enterprise Editor of The Sunday Times, where we will be discussing the benefits and drawbacks of exporting outside the EU.

While some fast-growth businesses continue to plough ahead with European expansion plans, increasingly entrepreneurs are looking further afield, with Australasia, Central and South America, China and Korea increasingly slated as target markets.

Taking part in the panel will be:

- Jonathan Quin, Co-founder and CEO, WorldFirst
- Tom Davies, Founder and CEO, Tom Davies eyewear
- Cecile Reinaud, Founder and Designer, Seraphine
- Allyson Stewart-Allen, Chief executive, International Marketing Partners Ltd

Following the discussion, there will be the chance to put your questions to those at the coalface of global expansion.

#### Schedule

08.30am - Guest arrival for networking and breakfast

09.00am - Panel discussion commences

10:15am - Event concludes
